New Habeas Corpus Case Before Gear.

### WOMAN FOILED BOTH ATTEMPTS

Edw. Miller and Attorney Weaver Defeated by Mrs. George Opunui.

The story of two sensational though unsuccessful attempts at kidnapping was brought out yesterday in the hearing of the application of Edward Miller for a writ of habeas corpus. He claims that his four-year-old son is wrongfully detained by George Opunui, and that he refuses to give him up.

The hearing was not concluded yesterday but the testimony brought out the story of Miller's attempts to kldnap his own child, but in both instances he was followed by Mrs. George Opunui. On one occasion two years ago he went to the home of Opunui in Waiarefused. Then, according to the testimony, he took the boy by force, threatening the life of the foster mother with a revolver. Mrs. Opunui followed Miller to the railroad station and there Mrs. Miller took the child away. Miller said he permitted this to be done rather than to make a scene. On August 15th, of this month, another effort to secure possession of the child was made. Miller, accompanied by his attorney, P. L. Weaver, again kidnapped his son, and Mrs. Opunui again made a desperate resistance. She claims that Attorney Weaver assaulted her and in

the struggle "squeezed" her hand. The evidence adduced at the hearing yesterday morning before Judge Gear was very conflicting. Miller testified that he had been married by Rev. H. H. Parker to Kamaka on April 2, 1897. In July, 1898, impelled by patriotic motives, he went to San Francisco and enlisted for the Spanish war. Later, through the influence of his father, he obtained his discharge and came back to Honolulu, over two years ago. In the meantime his wife had given their son to Opunul and she had gone to live with A. C. Vestal, bookkeeper on a plantation in the Kau district.

Judge Gear interrupted to ask the "Does the child talk?"

"Yes, sir," was the reply. "Does the child know you?" "No, he does not."

Miller said he wanted to take his son and educate him, and had prepared a home for him with a Mrs. Cowles. He testified further that he was able to support the child, being at present employed at the Honolulu Iron Works at salary of \$2.75 a day.

On cross-examination Miller testified that he had left his wife to fight for his country, and that he had left her to money to support herself or child. He had intended to send her his salary of \$15.60 a month, but as she failed to answer his letters he did not do so. He testified also that he had sent money for the support of the child, and also presents at Christmas time, to W. M. Alexander. Second Vice-President Opunui. Miller denied that he was livwitnesses on the stand to show that he was keeping house for himself alone.

George Opunui, who has possession of the child, testified that the boy had been given him by Mrs. Miller four years ago, and he had always treated it well. The mother had done this at the time her husband ran away to the States. Opunui admitted that he had allowed the four-year-old boy to ride a horse by himself, but denied that he was ever intoxicated since the child has been in his possession. He denied, also, receiving money from Miller.

His wife also testified to the same facts, and that she intended to bring the boy up as her own child. She told the story, also, of the two attempts made to kidnap the boy, which she had folled. She testified further that she intended to send the boy to school as soon as he became old enough. Adjournment was taken at noon until this mroning. During the hearing the boy remained close to his foster father, and when Judge Gear asked who his father was he nestled closer to Opunui.

# The McKinley Park

\*

Work on the McKinley Park will soon commence, as a large amount of money has been subscribed for that purpose. Its location being on King Street, and the additional fact that the ELEC-TRIC ROAD runs straight out has established this thoroughfare as the main avenue of Honolulu. The beautiful PAWAA TRACT lies mauka of this line, just beyond Waikiki Road. Lots in this location are the most desirable in Honolulu. On account of the sheltered condition of this Tract, it is free from the severe winds and rains that come down from the Manoa valley; yet it is subject almost continually to a mild, healthy breeze, rendering it from 10 TO 15 DECREES COOLER than Ewa of Punahou Street. On account of the low prices asked and the very small amount down and easy terms, the opportunity to purchase a beautiful home site comes within the reach of all; but after September 15th, the prices of these lots will be AD-VANCED 20 PER CENT. So now is your time to see
